TRADE MARKS

Our **TRADE MARKS** which appear on all our manufactures are our **GUARANTEE** to the users that we stand by our products and that in them they obtain the **BEST VALUE**.

VALUE, not necessarily **LOW FIRST COST**, is the claim we make for **BRADES** Tools, and our policy is to offer our best service to the user by supplying him at a price that he is able and willing to pay. In Stocking **BRADES** Tools our customers will be studying not only their own but the **USERS'** best interests.

The **BEST GOODS** are usually the **BEST VALUE**, the **EASIEST TO SELL**, **YIELD THE BEST RETURN TO THE DISTRIBUTOR**, and never fail to **increase sales** by the satisfaction they give and the avoidance of the trouble and complaints inseparable from so-called "**cheap**" Tools.
